

DASHING DIMES DESIGN

Best Team

Seunghyon

Yeom

FOUNDER & DESIGNER

Hello, my name is Seunghyeon Yeom, and I currently live in London, Ontario, Canada. I'm a designer and front-end developer who is constantly exploring for new perspectives. I'm very interested in website ux/ui design.

Nathalya

Menezes

DESIGNER

Iâ€™m Nathalya Menezes, a Front-End Developer and UI / UX from Brazil but currently based in London; passionate about creating and discovering new things with JavaScript, HTML and CSS.

Aixin

Zhong

VIDEO MAKER

Iâ€™m Aixin Zhong, currently studying in Fanshawe College. A passion for solving complex problems multiplied by outstanding attention to detail makes me a great designer with a range of technical and design skills.

Inderpal

Singh Brar

DESIGNER & DEVELOPER

This is Inderpal Singh Brar, doing IDP3 diploma at Fanshawe College, proud to be a partner of 3D's company. Always doing some creativity and having a fascination with designing. This is not the only full stop.

WHAT DO WE DO

We are establishing a goal to enhance your business and researching the best ways to advertise it.

We are discussing about your website and building a striking business website for you.

We will be responsible for coming up with a couple of the greatest approaches.

We will be responsible for coming up with a couple of the greatest approaches.
